Please Note: We make every attempt to ensure that the links we provide are reputable, but it is important for students to still read and understand each site's terms of use and privacy policies before using them. Here are some basic rules for safe searching:

- Never provide financial information.
- Do not pay for information: either to apply for or receive the scholarship.
- Use reputable sources for your search. Many phony websites are set up to trick you into providing personal information.

The above scholarships are of course not a comprehensive list; there are many scholarships out there! Public and private colleges all have their own scholarship programs. We encourage you to research scholarship programs offered by the college or university you plan to attend. Please contact me if you have any questions or would like further assistance in your scholarship search!
