

NEW HEIGHTS CAMPAIGN REPORT 2023

ST. MARY
CATHEDRAL
PARISH & SCHOOL

THANK YOU!

Through the grace of God and generosity of our school & parish families, alumni, local & school family businesses, and our community, we have successfully surpassed our New Heights Campaign goal of \$850,000! The funds above our goal will allow us to save for future improvements, upkeep, and further maintenance costs. The support shown by our donors, sponsors, and the hard work & dedication of our contractors has been tremendous!

We are very excited to share our accomplishments with you. Thank you so much for supporting us in this project. You are making a tremendous impact in the lives of our students, staff and families here at St. Mary Cathedral School!

YOUR GIFTS AT WORK

PERFORMING ARTS CENTER

By reaching our goal, we were able to purchase a commercial riser system providing updated, elevated seating for our performances, a guarantee to the audience that, “there isn’t a bad seat in the house!” The new system will be unveiled at our Fall Production of “DISNEY DESCENDANTS THE MUSICAL,” November 16-19. Please join us!

ATHLETIC COMPLEX

We were able to construct and complete a Concessions building including a Ticket Booth, Restrooms, and Meeting Rooms for the Home and Visiting teams. A Pressbox with Viewing Rooms, a Referee Room, and Storage was also completed, anchoring new Bleachers to the Snowbird Home Football Field, previously the practice field. Lights, Sound, and a Scoreboard were also added, and Fencing was installed to encompass our entire Athletic Complex. The Entrance to the complex is still in progress with a projected completion date of Spring, 2024.
