The pillars help everyone to be a good person, someone to look up to and admire, think right and do right, know the difference between right and wrong, set a good example for everyone and make the world a better place.

- **Trustworthiness-** A person of character is trustworthy, lives with integrity, is honest reliable and loyal.
- **Respect-** A person of Character values all persons, lives by the Golden Rule, respects the dignity, privacy, and freedom of others, is courteous and polite to all, and is tolerant and accepting of differences.
- **Responsibility-** A person of character meets the demands of duty, is accountable, pursues excellence, and exercises self-control.

### **OFFICE HOURS**

The school office is open for business Monday through Friday from 7:30 a.m. to 3:30 p.m. The principal practices an “Open Door Policy”, and you are always welcome. Please call the school office to set up a mutually convenient appointment time.

## Section 2: Admission and Requirements

### **Nondiscriminatory Policy**

St. Mary Cathedral School admits students of any race, color, and national or ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students of the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies, admissions policies, or athletic and other school-administered programs.

### **Admissions**

Children entering Pre-School must be three (3) years old by August 31. Students entering Young 5 must be four (4) years old by August 31. Students entering Kindergarten must be five (5) years old by August 31.

At the time of registration, all new students seeking admission to St. Mary are evaluated on the basis of current standardized tests scores and report card grades, as well as teacher created assessments and quarterly assessments.

Students applying for Admission must present a copy of the current report card, high school transcripts, and standardized test results. These will be reviewed to determine whether the program at St. Mary will meet the educational needs of the students. An interview with the student is part of the process.

Testing in some academic areas may be held for new incoming students.

All new students will be given a trial period of not less than one semester in which to prove himself/herself both socially and academically. If during this trial period there are any problems, a student may be asked to withdraw his/her attendance at St. Mary. The recommendation and decision of the school is final. St. Mary is limited in its human capital resources and will make *reasonable* accommodations for learning differences when possible. St. Mary cannot accommodate students who have *extraordinary* learning differences. If after admission, the educational and/or behavioral needs of a student exceed what would be considered *reasonable*, the student may need to be separated from St. Mary. This decision will be made in order for the student's educational and/or behavioral needs to be fully met in another educational setting. If the decision to separate the student from St. Mary is made by the school, the student's tuition due would be prorated.

The following grading scale has been adopted in **2<sup>nd</sup> -12<sup>th</sup> grade:**

<b>A</b>	<b>100-93%</b>	<b>C</b>	<b>76-73%</b>
<b>A-</b>	<b>92-90%</b>	<b>C-</b>	<b>72-70%</b>

<b>C+</b>	<b>79-77%</b>	<b>F</b>	<b>59% or less</b>

#### **Middle School/Senior High School:**

#### **Grade Point Average (GPA)**

Cumulative grade point average (GPA) is an average of all semester grades earned to date.

For purposes of calculating GPA.

A	= 4.000	B-	= 2.667	D+	= 1.333
A-	= 3.667	C+	= 2.333	D	= 1.000
B+	= 3.333	C	= 2.000	D-	= 0.66

Cr = Not Calculated		I = Not Calculated			

#### **Incomplete**

If a student receives an incomplete for a marking period, two weeks are allotted to make up the work. After two weeks the incomplete converts to an F or the grade earned including the unfinished work. Exceptions to this policy must be made with the respective teacher. Students are encouraged to discuss their progress with their teachers on a regular basis. Parents are urged to contact their student's counselor or teacher(s) any time they have a question or concern regarding their student's progress in school.

unbecoming in accordance with the NHS Constitution will result in discipline/dismissal from NHS.

### **HOMEWORK**

**In grades 3-5**, the Late Work Policy procedure is as follows:

1. Ten (10) percentage points will be deducted for each day an assignment is late for the first week.
2. If an assignment is two weeks late, the student will receive 50% off of the grade.

1. 25% off 1<sup>st</sup> day late
2. 50% off 2<sup>nd</sup> day late
3. Assignments are due at the beginning bell unless otherwise noted.
4. It is acceptable for a teacher to designate “no late work accepted” on assignments or to students who have made late homework a habit.

### **ATTENDANCE AND EXCUSES**

With the belief that academic success is based upon several factors, one of the more important being regular attendance at school, these guidelines have been developed.

Regardless of the reasons, students who accumulate more than five (5) days of absence per quarter from any class jeopardize their success in that class and may lose course credit. Students who arrive twenty (20) minutes or more late for a class will be considered absent from that class and that absence will count toward the five days. All absences from school count towards the basic attendance requirement. Exceptions to this requirement include scheduled

school events or business, such as athletic trips, Youth in Government conferences, Student Council meetings, etc. All exceptions will be left to the decision of the principal.

**All Students:**

1. Students who are absent must have the parent/guardian call the school office (732-5801) on the morning of the **absence prior to 9:00 a.m.** Please inform us as to the reason for the absence. If a call is not received by the specified time, the secretary will contact the parent/guardian to inquire about the absent student.
2. Student absences during the school day are to be avoided. Please attempt to make all plans for doctor/dentist appointments outside of school hours. If it is necessary to have a child excused during the day, please send written permission to the school office.
3. If a student becomes ill during the day, the secretary will notify the parent/guardian. Transportation home for sick children is the responsibility of the parent/guardian.
4. No student will be released to anyone other than a parent/guardian or an individual that has been designated in writing. Verbal permission by telephone will be permitted in emergency situations.
5. Vacations during regular school days are discouraged. Various vacation times are provided throughout the school year. When possible, family vacations should be taken during these times. Teachers are not required to give assignments in advance for vacations taken during school days. A meeting with the principal prior to leaving is required.
6. When a child has missed 10 days of school without a valid reason(s), a letter will be sent to the parent/guardian.
7. When a child has missed 15 days of school without a valid reason(s), another letter will be sent to the parent/guardian. Verbal contact will be made with the parent/guardian regarding the missed days.
8. When a child has missed 20 days of school without a valid reason(s), a referral will be made to either the Family Independence Agency and/or the Prosecuting Attorney's office for legal action against the parent(s) due to the infraction of the Michigan School Code (MCL 712 A.2 and MCL 380.1561)

9. **\*Reminder\* Elementary Student Start Time:** Elementary students will begin the day at **7:45** with convocation. A Tardy will be treated in the same manner as absences. Student daily attendance shall be marked as follows:
- |                          |                  |
|--------------------------|------------------|
| Arrives after 7:45 a.m.  | Tardy            |
| Arrives after 10:30 a.m. | Half-Day Absence |
| Leaves before 1:30 p.m.  | Half Day Absence |
10. **Middle School/High School Students:** Arrival to school after 7:45 a.m. will be considered tardy. Any tardiness not caused by an authorized staff or other legitimate reason will be considered tardy. Students accruing 3-6 tardies (excused or unexcused) per semester will serve a detention. Accruing 7-9 tardies will result in a detention and meeting with parents. 10 or more will result in a truancy letter and meeting with the principal.
11. **Funeral** - In the event of a death in the family, parents wishing to have their children attend the funeral services may have them excused by sending a note, prior to the funeral, with their times of departure and return to school.
12. **Make-up Work** - Students are expected to make up all schoolwork missed during absences. Teachers will assist students with excused absences in making up any work. **Students** must initiate this effort immediately upon their return to school, and will have 1 day per school absence to turn in makeup work. Arrangements for missed tests will be made with the respective teachers. Students who have unexcused absences will not be permitted to make up the missed work. They will receive "no credit" for that time missed.
13. **Excessive absences or the equivalent with tardies can be cause for a student to be retained in the current grade for another year.**

### **CHEATING / PLAGIARISM**

Plagiarism, cheating on tests and copying other student's work carries with it serious penalties. It will result in a "0" on that assignment/test given to all students involved, and will also entail a detention/suspension and can be left up to the discretion of the principal. In addition, it may result in loss of membership in the National Honor Society and possible forfeiture of class rank.

### **CONFERENCES/REPORT CARDS**

Parent/Student/Teacher Conferences are held during the school year. A conference is held after the first quarter marking period. A second conference is optional and is usually held after the third quarter marking period. Individual conferences are encouraged and may be called by either parent or teacher whenever necessary. Report cards are issued four times a year for Elementary, Middle School and High School students.

### **MASSES/LITURGIES**

Eucharist is celebrated in the School gymnasium, on Wednesday of each week, at 9:00. First/Last school Masses and Holy Days are celebrated at the Cathedral. All students attend weekly celebrations. This is an expectation for all students (Catholic and non-Catholics) alike. All Students will participate in weekly Eucharistic Adoration held in the school chapel. All students are expected to use the bathroom before mass. There is no gum allowed during mass. On Mass days students will be required to stay in mass clothes the entire day.

### **SERVICE LEARNING PROGRAM**

St. Mary Cathedral School's service learning program is based on the tenet that learning and service are connected to the intellectual and moral development of each student. All high school students will participate in the Service Learning Program at their grade level. This could include working at parish festivals, participating in a parish ministry, volunteering for the parish soup suppers during Lent, or volunteering within the community. If a student is not Catholic, the student is encouraged to donate time to their own congregation; however, all students must complete the required hours for each year.

Documentation for completion of Service Learning Program hours must be on file with the religion teacher in order to receive credit for their time, whether spent with a parish, social or economic organization. In addition to the documentation, each year a reflective minimum one page essay is required after completion of the service hours.

All students will need to complete their required hours of service prior to graduation as seen below.

Freshman=20    Sophomores=20    Juniors=30    Seniors=30

### **GUIDANCE DEPARTMENT**

St. Mary Cathedral School maintains a skilled and professional department, which seeks to accomplish the following goals:

  - c. Please allow 48 hours for transcript request

## Section 4: Dress Code

### DRESS CODE

#### **Dress Code Philosophy Statement**

St. Mary Cathedral Catholic Schools' dress code is predicated on the belief that each student is created in *God's image* and *our bodies are the Temple of the Holy Spirit* (Cor. 6:19). A dress code instills discipline, a sense of community and enhances school pride. Each student's God-given talents and gifts are demonstrated through behavior, action, and achievement in academics, service to others, athletics, spirituality and character development. The Dress Code is intended to focus energies on that which is spiritual and academic while students are in the building; this includes before, during, and after school hours.

#### **Modesty:**

One of the most overlooked virtues in today's society is modesty. Modesty requires that people dress in a fashion that does not call inappropriate attention to their bodies. There is no perfect way to define what constitutes appropriate apparel. There are too many styles of collars, cuts, and lengths to create a comprehensive list of what is acceptable and what is not. However, the underlying principle is that our "bodies are temples of the Holy Spirit" (Corinthians 6:19). Apparel decisions must be reflective of this principle.

Students not in compliance with the dress code will be removed from class and required to make the necessary adjustments before being allowed to return to class. Missed class time will be considered unexcused time. Students will receive a detention for failure to follow the dress code.

Students are expected to dress modestly on days they are allowed to be out of dress code and when attending school events. There is to be no skin showing at the mid-section regardless of whether the person is sitting, standing, or reaching.

- No part of the slit in the side, front or back of the skirt is to be at higher than 3 inches above the knee
- Clothes that are very tight are not acceptable.

Failure to meet these requirements and guidelines could result in an athlete being ineligible to participate in interscholastic sports. Students who cannot meet the school's standards will be dealt with on an individual basis. Students must fulfill the plan set up by the school counselor and the principal in order to participate in inter-scholastic competition.

### **Previous Academic Record:**

  - This might entail a two (2) week wait period at which time student must earn passing grades in all current classes.

There may be exceptions to this regulation such as doctor/dental appointments and other reasons, which may require absence. However, any absence from any class must be “pre-arranged” and approved by the principal (“pre-arranged” is when the school office is informed a minimum of one day prior to the absence). If a student misses a class without approval, he/she may not compete in a game, performance, or practice the day of that absence. The principal will make final judgments on these eligibility questions.

Middle and High School dances are separate functions and are to be attended only by students of the respective school. The High School Homecoming dance and Prom would be an exception to this statement and attendance by a student of another school would need to be pre-approved by the principal.

Certain understandings and regulations must be followed. These include:

1. All dances need the approval of the principal a minimum of two (2) weeks in advance of the event.
2. All dances will have an on-faculty advisor who is responsible for all details of the event.
3. Dances can begin at the discretion of the advisor in charge. All high school dances will end no later than 11:00 p.m., all middle school dances no later than 9:30 p.m.
4. Groups and advisors who put on dances will be responsible for clean up after the dance. If any damage to school property is incurred before/during/after the dance, the group sponsoring the dance will be responsible for restitution, unless information is obtained which identifies the person or persons responsible for damages.
5. Once a student leaves a dance, he/she cannot re-enter. Middle school students may not leave unless with a parent/guardian.
6. There are to be five or more chaperones at the dance, all pre-approved by the advisor in charge and the high school principal. They can be faculty, staff, coaches and/or parents/guardians. A list of the chaperones is to be on file in the school office at least one week before the dance, along with signed chaperone forms. The chaperones are to be stationed in various areas during the dance and should be rotated periodically by the advisor.
7. If a student is observed or suspected of violating the school drug/alcohol policy, the following procedures will be followed:
  - a. If a student is clearly under the influence of drugs/alcohol the principal is to be contacted immediately and the student detained until the parent(s) arrive. We have a zero tolerance policy with regard to drugs and alcohol.
  - b. A full written report is to be filed by the advisor in charge to the principal as soon as possible. If this were a weekday event, it would be the following morning. If a weekend event, it should be the morning of the first school day following the event.
  - c. If the student refuses to stay at school, or his/her parent/guardian cannot be reached, the Gaylord Police Department shall be contacted.

- d. If a non-St. Mary Cathedral School student is observed or suspected of violating the school drug/alcohol policy, or refuses to leave the dance when asked to do so, the principal should be contacted and the authorities will be notified.

## **Section 7: Discipline Rules of Conduct and Procedures**

### **CODE OF CONDUCT**

St. Mary Cathedral has a code of conduct, a discipline plan for helping students learn to function in the society of the school and in the wider world. A discipline plan applies to the school as a whole as well as to the classroom. However, discipline is nothing more than Christian formation.

The goal, then, of discipline is true cultivation of virtue, so that the student is interiorly directed away from a pattern of behavior which needs to change in order to mature in virtue. This means that all discipline plans must be rooted in God Himself and needs to take into consideration the workings of grace and sin.

The guiding principles of the discipline plan stem from St. John Bosco's three main elements: Reason, Religion, and Kindness. The faculty and staff seek to incorporate these elements when correcting a student or guiding them to proper understanding of their wrongdoing. They strive to keep in mind the dignity of the child and to correct in truth and love.

When a student's behavior is inconsistent with the expectations set forth in the school and/or classroom policies, the first response is to assist the student in understanding the wrongdoing. Extreme Care is taken to not embarrass or demoralize the child.

The word "discipline" comes from the same root as the word "disciple." Therefore, discipline is seen as something essentially positive, coming from each student's following of the precepts of Christ. Students are expected to conduct themselves at all times according to the highest standards of polite, respectful, Christian conduct. Actions, behaviors, or items contrary to teachings of Christ and His Church are inappropriate in our Catholic school.

The greatest obligation for teaching a child good moral conduct and self-discipline rests with the parents; the school accepts the responsibility of assisting the parents with that task. It is imperative that the student be convinced that his/her parents fully support the school and expects the student to adhere to the school's rules. We can best serve the children by working together.

St. Mary Cathedral School's Code of Conduct shall include, but not be limited to, the following principles:

1. A St. Mary student is considered a student 24 hours a day, and is expected to act in a manner consistent with being a disciple of Christ at all times;

2. Students shall treat each other, school employees, and guests with Christian charity, courtesy, and respect at all times;
3. Any disruption of the learning environment is considered an infringement on the rights of others and will be handled accordingly;
4. Students shall use material items with care and respect to show that they understand the necessity to be good stewards of creation;
5. Being mindful that their dignity comes from being made in the image and likeness of God, students are expected to strive to live virtuously, knowing that this is the only means to peace and happiness;
6. Students are expected to view and treat the human body as a gift from God; therefore they are expected at all times to treat their own bodies and the bodies of others as the temples of Holy Spirit;
7. Students are expected to observe the dress code

**The teacher is the key person in school discipline.** The teacher is expected to make every effort to handle personally the usual problems of maintaining classroom discipline. When a disciplinary problem becomes acute enough, the teacher will seek the Principal's assistance. Parents are expected to fully support the teachers and the Principal in the implementation of their plan to cultivate virtuous behavior. This cooperation is essential in assuring an environment of respect and order, and for a classroom to run in an efficient manner.

Normal disciplinary procedures in the classroom include, but shall not be limited to, the following:

1. warnings, written or verbal
2. loss of free time or recess
3. detention scheduled by the teacher
4. contacting the parents
5. a visit to the Principal's office

All school rules govern student behavior (1) on the school grounds at any time and (2) off the school grounds at a school activity, function, or event.

Students are capable of many serious actions worthy of disciplinary action, all of which cannot possibly be listed. St. Mary Cathedral reserves the right to judge the seriousness of the actions

and the disciplinary consequences which will arise from them, including detention, suspension, or expulsion. Examples of behaviors worthy of stringent disciplinary action include, but are not limited to, the following:

**Serious Misconduct:**

1. Disruption and or obstruction of any lawful mission, process, or function of the school;
2. Damaged or attempted damage of the school property or the property of another;
3. Bullying, physical or verbal assaults;
4. Sexual harassment;
5. Use of profane or vulgar language;
6. Cyber bullying or using blogs, email, or social media to express defamatory comments regarding the school, the faculty, or other students or their families;
7. Possession of knives, firearms, weapons, fireworks etc.;
8. Obscene conduct; possession of obscene literature or images, possession of obscene literature or images on electronic devices; trying to use school provided technology to access pornography;
9. Stealing, gambling, extortion;
10. Cheating, forgery, or plagiarism.
11. Truancy, excessive absenteeism, tardiness, self-dismissal;
12. Violation of the uniform code;
13. Missing or late homework assignments;
14. Disrespectful language or actions towards any staff member faculty or other students or family members.

2. A teacher may remove the student from curricular or extracurricular activities under his/her supervision, but not from the premises. The Principal or her designee is to be notified immediately of such action and may make decisions concerning the student accordingly;
3. The Principal or his/her designee may remove the student from the premises, curricular or extracurricular activity;
4. In an emergency removal, a student may be kept from class until the matter of his/her misconduct is resolved, either by reinstatement, suspension, or expulsion.

## **DETENTIONS**

1. Detentions will be given at the discretion of the Principal and the teacher. The teacher and/or the Principal schedule detentions;
2. Students may not be tardy to detention;
3. Detentions are required school events that take precedence over all other student obligations and commitments;
4. Failure to report to a detention is a serious matter resulting in additional disciplinary action.

Process for receiving a detention: The teacher will issue a detention slip. The parents will be notified immediately, as well as coaches, and the student will serve the detention that day, or with approval, the following day. After the third detention, the student will serve a one day in school suspension. After 3 suspensions, student may be subject to expulsion.

## **SUSPENSION**

In cases of suspension from school, either in school or out-of-school, the following guidelines apply:

1. The Principal may suspend;
2. No suspensions are to exceed ten (10) days;
3. The Principal gives written notice of intention to suspend and the reasons why to the student, unless immediate suspension is required. In this case, the parents will be notified at the earliest possible date;

4. The parent, guardian, or custodian of the student is notified of the suspension, in writing. The notice includes the reasons for the suspension, and the right of the student and/or parent to appeal to the Principal.

**A student may arrive at suspension if:**

1. A student receives a third detention.
2. A student's behavior becomes detrimental to the physical, spiritual or academic welfare and progress of other students

**Procedure for Student Suspension:** Parents shall be notified by telephone of the suspension and requested to attend a joint conference with their child, school Principal, and any appropriate faculty member(s). In no instance shall a student be asked to leave the school during regular school hours and proceed home without prior notification to and consent of the parent(s)/guardian. The decision to require a student to proceed home alone or await the arrival of a parent/guardian shall be made jointly by the parent/guardian and the Principal.

Immediately following the suspension, notification with details should be given to the Pastor, who frequently is in a position to be a facilitator and may be able to suggest pastoral remedies. The conference with the parent(s)/guardian and child shall take place within three (3) school days from the suspension, if possible. If the Principal and parent(s)/guardian and child are unable to meet within that time period for any reason, the conference shall be scheduled as quickly as possible. Within that same 3-day period, the principal may continue investigation of the facts and circumstances leading to the suspension, and shall document the reasons for the suspension. Documentation of the suspension shall be placed in the student's file.

The principal shall have discretion to extend the suspension beyond three (3) school days, with notification to the parent(s)/guardian. Students will be allowed to make up any missing work, but will only receive a maximum of up to 70% credit on all make up work.

Any student receiving three (3) suspensions in a school year is a candidate for expulsion. A review of the situation with the teacher and the Principal could lead, but may not necessarily lead, to this decision.

**EXPULSION**

A third suspension during a school year or a third suspension during a student's tenure at St. Mary Cathedral School may result in that student's expulsion. Expelled students may apply for re-admission after one year has elapsed from the time of their dismissal. If such students are re-admitted, it is with clear understanding that they enter on disciplinary probation, the terms of which are to be fixed by the administration.

In certain circumstances second semester seniors who reach the point of expulsion may be allowed to take their exams. If they fulfill all graduation requirements, they will receive a diploma privately, and will be unable to participate in the graduation ceremony.

For serious disciplinary reasons or violations of major regulations that may be determined at the sole discretion of the school, a student may be expelled from school immediately. Some of the grounds for immediate expulsion include but are not limited to, the following:

1. Actions gravely detrimental to the moral and spiritual welfare of any school or church personnel, volunteers or students.
2. Assault, battery or any threat of force or violence directed toward any school or church personnel, volunteers or students.
3. Use, sale, possession of any vaping paraphernalia (mods, juice, battery packs etc.)
4. Use, sale, possession or control of narcotics or illicit drugs on or about school/church property.
5. Use, sale, possession or control of alcoholic beverages on or about school/church premises.
6. Vandalism of school/church property.
7. Possession or control of any weapon or other dangerous instrument on or about school/church premises.
8. The arrest and/or conviction by civil authorities for a criminal action.
9. Behavior that affects the status of the school and/or causes unfavorable publicity or criticism of the school.

**Please Note:** The philosophy of St. Mary Cathedral School is based on the belief that the parents are the primary educators of children. The administration of St. Mary Cathedral School looks toward the parents as the disciplinarians for events that happen off campus. Even though St. Mary Cathedral School does not want to get involved in unsanctioned off-campus activities, events may occur off campus that have a detrimental effect on the school, students, faculty, administration and church, or the ability of the faculty and the administration to uphold the mission and policies of the school. Under such circumstances the administration reserves the right to take disciplinary action up to and including expulsion.

**Procedure for Student Expulsion:**

1. The Principal shall seek the advice of the Pastor regarding any contemplated expulsion.
2. Except in situations involving immediate expulsion, the Principal shall exercise the right of expulsion only after a 3-day suspension to investigate and to conference with the

student and parent(s)/guardian referred to under the Suspension Policy (Diocesan School Policy 4110).

3. If a decision to expel the student is made, the parent(s)/guardian shall be notified in writing of the action by the principal.
4. The student, his/her parent(s)/guardian may, within five (5) school days following commencement of the expulsion, contact the Diocese of Gaylord, in writing, to have the expulsion reviewed. The manner of the review shall be in the sole discretion of the Diocese of Gaylord on a case-by-case basis. In the event that the expulsion is found to be unfair or inappropriate, the Superintendent of Catholic Schools or his/her delegate shall so advise the Principal and action to reinstate the student will be undertaken. In this case, all reference to the expulsion shall be removed from the student's file.
5. Tuition reimbursement concerning expulsion:
  - a. Tuition may be refunded and is based on upon the amount of time a student is enrolled in school, e.g. if a student withdraws before 2<sup>nd</sup> marking period begins 75 % of tuition is refundable; before 3<sup>rd</sup> marking period begins 50% of tuition is refundable; after 3<sup>rd</sup> marking period, there is no refund.
  - b. Pro-rated tuition and fees reimbursement may occur if it is necessary for a family to withdraw because of an unforeseen circumstance.

### **BEHAVIOR EXPECTATIONS**

The student's interest in receiving a quality, morally based education can be served if students, parents and school officials work together to form a safe and Christian-based environment. It shall be an expressed condition of enrollment that students behave in a manner, both on and off-campus, which is consistent with the Christian principles of the school as determined by the school in its discretion. These principles include, but are not limited to, any policies, principles or procedures set forth in this Student/Parent Handbook, including the behaviors noted below:

Any behavior by a student which results in damage to school property is the financial responsibility of the student causing the damage. All student management procedures apply.

## **Section 8: School Safety**

### **Crisis Plan**

St. Mary has implemented a “crisis plan” in collaboration with local law enforcement in case of a lockdown emergency. All teachers and staff are aware of the procedure to follow to keep your children safe. In the event of such an emergency, circumstances permitting, the building may be evacuated and students will be moved to one of two secure designated locations:

1. Diocese of Gaylord Building
2. Friendship Church
3. An alternative site may be chosen if the situation warrants.

### **FIRE, TORNADO AND LOCK-DOWN DRILLS**

By law, all schools are required to hold eight (8) fire drills, (2) tornado drills and (2) lock-down drills during the school year.

#### **Fire Drill:**

When the alarm sounds, all students should exit the building in an orderly manner. Walking quickly and quietly, they should proceed to the nearest designated exit and continue walking to the assigned class meeting area or space.

#### **Tornado Drill:**

The intermittent signal will identify the alarm for a tornado drill. All students should exit their rooms to the designated area and sit quietly on the floor next to an inside wall. Students should cover their heads and remain seated until the all clear is sounded.

#### **Lock-Down Drill:**

The announcement will be made over the school P.A. system. All students are to go to the safe area in their classroom. If not in a classroom, students will need to find a safe area. Students are to remain quiet until a police officer unlocks the classroom door. An announcement over the P.A. system will give the all clear before anyone is allowed to leave their classroom.

All teachers are expected to discuss and practice these procedures with their students at the beginning of the school year.

It is hoped that through communication between home and school we can, together, help our students learn positive ways of dealing with problems.
6. Students' current grades and progress will be reported every 4½ weeks. Parents may check the progress of their child by using their personal pin number and password assessed via the St. Mary Cathedral School website and using Renweb.

Students must be 'fever-free' for 24 hours before their return to school. Please notify the school office if your child has been diagnosed with a contagious/communicable disease. Students who become ill during school time activities should immediately report that illness to the teacher, coach or school agent in charge. These thirty minutes include library skills/use instruction and/or story time, silent reading, and the opportunity to check out reading material. Classroom teachers may schedule additional library time for research purposes. Teachers may also request time for individual students or small groups of students to use the library, when it is determined that time and library/media center personnel will be available.

Books, periodicals, and vertical file materials are on loan for one to two weeks for elementary and Middle School/Senior High students; most of which may be renewed. Some reference materials may be checked out for one night only. Encyclopedias are used in the library, and may not be checked out.

Unless materials are needed for a "special" class project, students with overdue materials will not be able to check out more material, until the overdue material is returned and/or replaced.

Fines will be charged on lost materials for students in grades 2-5 as follows: the fine for lost or damaged materials is the replacement cost of that item. Students may not check out materials when they have overdue library materials. At each academic quarter, students who have overdue materials or fines will not receive report cards until these responsibilities are paid.

### **LOCKERS**

**Locks for lockers-** Students may have a lock on their locker. The school office must be given the locker combination or a copy of the key prior to the lock being put on the locker.
