Tuition Rates:

- The Parishioner Rate below is offered to registered parishioners who attend Mass regularly and practice active stewardship at their parish. Those who contribute \$750 or more **each calendar year by December 31st** to their Catholic parish are eligible.

Ways to Manage and Reduce Tuition Costs:

Easy payment plans to fit any family budget size. Our goal is to work with families to plan and manage tuition. For more details please visit your FACTS Account online through gaylordstmary.org.

Tuition Angel Scholarships and Assistance are an integral part of the St. Mary Cathedral School Legacy. On average, about \$100,000 is awarded to students and their families each school year. Scholarships are awarded to K-12 students on the basis of financial need as determined by the successful completion of a FACTS Needs Assessment (which is completely confidential and managed by a third-party vendor to ensure family privacy and security of information).

Tuition Scholarships are awarded in the following order of priority, once financial need has been determined.

1). Currently enrolled students whose families are parishioners in good standing at St. Mary Cathedral, have pre-registered and paid the registration fee—awards up to 75% of tuition. **2).** Children of registered and contributing members of other Roman Catholic parishes—awards of up to 60% of tuition. **3).** Children of non-Catholics families—awards up to 50% of tuition.

Free Tuition for One Quarter for all new K-12 families.

Refer students to St. Mary Cathedral School. Families that refer new families, who in turn become enrolled students, will receive a one-time tuition credit. For more details please contact the school office.

SCRIP earns money to help pay your tuition. This is a program where gift cards are purchased and used for the full-face value and a percentage is given back as tuition credit. Apply online at www.raiseright.com or contact the school office. **Our school enrollment code is: 1D83D8DA8723.**

Be sure to **sell your raffle tickets and meet your parishioner stewardship commitment** to keep tuition rates low.

***It is important to know** that tuition is essential to the successful operations of our school. As a result, if tuition is not current, students will be unable to participate in extracurricular activities, receive a report card, participate in graduation, enroll in the upcoming year, or have permanent records transferred to another school. Before those situations arise, plan to meet with our Principal to create a manageable plan for your family.*
