

St. Mary Athletic Department

Bussing Policy

Parents,

As a reminder, we use a one-way bussing policy for girls basketball, boys basketball, volleyball, and cheerleading. This means that your student-athlete will be transported to away contests via our St. Mary school bus or a Gaylord school bus.

- It will be your responsibility to transport your child home after the contest.
- Athletes **will not** be allowed to leave with anyone not listed on this form other than a parent.
- Students **will not** be allowed to drive to or from any school events held away from St. Mary's.
- Athletes are expected to be present at the beginning of each event and stay until concluded.
 - This applies for JV/Varsity or 7th/8th grade games.
 - Any deviation from this policy will be cleared directly with the coach.

Your signature below indicates your acceptance of this policy and gives the head coach the permission to arrange for alternate transportation in the event a parent is not present and no note was given to the coach.

I, _____ understand and agree to the above policy. In addition, I give permission for the head coach of my student/athlete's team to arrange for transportation for my child to or from any athletic event.
