### **OUR GUIDING PRINCIPLES**

Directing our focus and guiding our work, we exist to:

#### **Build Faith Communities**

- We are focused on building Catholic faith communities through vibrant parishes, strong schools, focused ministries, and by working to address unmet needs.

#### **Strengthen Our Catholic Values**

- We use our Catholic values to guide our investments, our grant making, and our organizational direction.

#### **Create Catholic Legacies**

- The legacy of our donors and their faith journey guides our work and inspires all that we do. We work with donors to build lasting legacies for the parishes, communities, causes, and Catholic values that inspire them.
