## SAINT OF THE WEEK

As sports kick off, we remember Saint Sebastian. Being the patron saint of athletes, He is often prayed to by our students for protection during their sport. Due to his courage, perseverance, and strength, he is a great model for our athletes as they use their all.

After Mass on September 8th, Father Matthew accompanied with his altar servers, walked the streets back to the chapel inside the school building. Behind them the school sang hymns and prayed. Father Matthew carried the monstrous and behind were the singers. Keeping the walk safe were two police cars blocking any hard traffic. Together, all were reminded of the walk Jesus faced while carrying his cross.

## CROSS COUNTRY

Varsity Cross Country participated in a mud run this past weekend. Many of the runners said it was a memorable experience. They also ran in Roscommon this Wednesday. Although the course was hard Bailey placed in the top 10, and the team placed 3rd!

## JV FOOTBALL

JV had a tough loss against Mio. Sadly Hogan McKinley (the quarter back) broke his wrist and is out for the season. When Cash subbed in for Hogan he also ended up dislocating his shoulder. Putting both their quarterbacks out. Ryan Beals will be returning next week after having a cast on for one month, from his broken elbow.

## VARSITY VOLLEYBALL

Varsity Volleyball attended a game in Pellston. They won the first set and lost the following 3. They played a great game with great communication. They are a young team with only one senior, yet played amazing. The first game was 25-23. The second game was 19-25. The third game was 16-25 and the fourth one was 19-25. They continue to get better every game. Looking forward to next week with two home games!
